Reasons for denial include but are not limited to:

- Corrosion due to improper customer splice points
- Evidence that the UBS plug was not seated properly in the corresponding lamp
- Jacket damage or chaffing during initial installation that would expose copper stranding.  
Examples: weld flash, floor screws, exposing jacket to sharp cut edges
- Harness damage due to pinch point, such as installed too close to the slider
- Product past warranty period.

Expenses not covered:

- Service call fees
- Shop supplies
- Repairs to Grote products not returned
- Damage resulting from an accident-road hazard
